

AFC Swim Team Volunteers 2009

Parent support and participation are required to have a successful swim team.

Meet-specific jobs will be assigned to ALL families during the season. Effort will be made to match swimmers and parents to A- and/or B-Meet jobs. If you have a particular preference for either your meet-specific tasks or any social activities please identify how you will help below.

Social activities will only be conducted if there are sufficient volunteers to staff each event. We especially need social event coordinators.

Parent Name(s): _____

Family Name if different than parent surname: _____
